Issued:
Thu 22 Jul 2021
8:04 PM

Effective:
Thu 22 Jul 2021
8:04 PM

Onset:
Sat 24 Jul 2021
12:03 AM

Expires:
Sun 25 Jul 2021
12:11 AM

Area:

Marsabit, Turkana, Samburu, Isiolo, Mandera, Wajir, Garissa, Kitui, Makueni, Taita Taveta, Tana River, Lamu, Kilifi, Mombasa and Kwale

Description:

The strong south-easterly winds being experienced along the coast, over the South-eastern Lowlands and North-eastern Kenya are expected to intensify to about 40 knots (20.6 meters per second) from Saturday 24th July to Sunday 25th July 2021.

Instruction:

Residents in all the areas mentioned above are advised to be on the lookout for potential gale (very strong winds). Strong winds may blow off roofs, uproot trees and cause structural damage. Those in the areas of concern should be on high alert. People are urged to continue listening to local media as

updates will be provided if conditions change significantly. Further advisories may be issued as the weather events evolve.
